

All-of-Government (AoG) Construction consultancy services tracking slip

All agencies that make transactions under the AoG Construction consultancy services panel are required to complete this tracking slip and include it with the agreement.

Along with this tracking slip:

- We require agencies to note on GETS and in their financial management system that the opportunity is sourced via the AoG Construction consultancy services panel.
- Providers must check that the opportunity is sourced via the AoG Construction consultancy services panel.

Contract information
